

April 18, 1941.

Dear Bill:

Just a line in haste to tell you I have not heard from Clarkson yet. Pearson will hardly be able to meet you in Jacksonville Sunday, but look for him Saturday, April 26th. Let me know has Hill arrived yet.

If Mackey wants to send Waters home from Jacksonville, O. K. How is Alexander shaping up? Please answer questions, we need some news stories.

Norfolk and Richmond will be O. K.

Will try to let you know in my next letter when to break camp and where you will go after you leave Birmingham.

The cards have been shipped, the only thing you could do would be to have a little sticker made and put over the price on them.

Very truly yours,
